

## Coe Fen Walks - Species list

The following tables list the species that the CNHS has recorded in the Coe Fen area between 2010 and 2015. If you note any other species during your own walks, please send Jonathan Shanklin [j.shanklin@bas.ac.uk](mailto:j.shanklin@bas.ac.uk) details of the additions. Some species may be mis-identified. Lack of a tick does not necessarily indicate that the species wasn't present.
